HAND DELIVERED

10 August 2010

Mrs. Louise Alexander
Mrs. Kathy Smith

Dear Mrs. Alexander and Kathy:

Thank you for the telephone visit last week Mrs. Alexander. As we discussed, it was discovered that we should have asked for written permission prior to the naming of the post in memory of S. Gus Alexander, Jr. in 1993, however we were not aware of the requirement at the time.

The subject was brought up in a training seminar held in Austin a month or so ago. We are requesting that you assist us in documenting your permission now. We offer this document to satisfy the requirement and to make it simple for you. If you are in agreement with the following statement, please sign below and return it to us.

Thank You and we offer
Our Warmest Regards,

Gary Poplin
