RE: American Legion Post 111

Dear Ms. Olmstead:

This is your limited authorization to reproduce the name and/or emblem of The American Legion pursuant to the properly submitted request of American Legion Post 111, Cedar Hill, TX.

You are hereby authorized to manufacture 1,000 challenge coins bearing the name and/or emblem of The American Legion. No larger quantity is authorized; additional quantities require new authority. This authorization expires four months from the date of this letter. This approval is given with the caveat that Department of Texas be included in the imprinting and according to the submitted artwork—a copy is a part of this document. This limited authorization is issued under the authority of the National Adjutant of The American Legion.

This authorization is non-transferable. If you are using a sub-contractor or third party to manufacture any parts bearing the name and/or emblem of The American Legion, the sub-contractor or third party must also have permission to reproduce the name and/or emblem.

The American Legion is a registered service mark in the U. S. Trademark Office and protected by criminal and civil enforcement provisions of federal law (18 USC S705 and 36 USC SS44 and SS48). Strict compliance with the terms of this Limited Authorization is required.

Sincerely,

Jeffrey O. Brown
