ALSO

DOD vehicle decals are available at AAFES Headquarters. Remember, proof of insurance, Military ID, registration and drivers license are required. Security can direct you to the correct office.

DOD ID card holders who utilize the retail store at AAFES Headquarters may access the retail store with your ID card if you do not want to obtain an AAFES ID card. The hours for AAFES ID card issuance seems to vary, so see the guards at the south entrance. Remember this retail store is not open on Sundays.
